

OPENING FALL 2016

THE GCC FOOD PANTRY

NO STUDENT WILL BE TURNED AWAY

A recent study conducted by the University of Wisconsin-Madison found that nationally, **fully 20 percent of community college students are hungry.**

The food pantry is GCC's way of helping to reduce the number of food insecure students coming to campus.

We are currently accepting monetary donations, but will soon be accepting non-perishable food items and hygiene products.

All monetary donations are tax deductible. Donations to The GCC Food Pantry can be made through the Foundation Office.
