My EOPS Counseling Contacts

Demo Student

EOPS students are required to meet with their EOPS counselor three times during each semester (fall /spring), and one time during each intercession (winter /summer) if registered. This counseling requirement must be met regardless of student's registration status (i.e. registered in less than 12 units), and student's academic standing (i.e. probation /dismissal). Counselors may request additional visits, if needed.

NOTE:C-Students may visit their counselor as many times as needed, however, only one meeting per week will be counted towards the counselor meeting/contact requirement. If you have two counseling contacts in the same week, the second one will show up as a C in your contact record and will not count towards meeting the counselor meeting/contact requirement.

NO SHOW:Once you scheduled an appointment with a counselor, you are expected to keep this appointment and show up on time. If extenuating circumstances prevent you from keeping your appointment, please call or stop by the office to cancel your appointment to make it available to other students. If your record indicates two consecutive NO SHOWS, you will not be able to see a counselor until you meet with EOPS director. If the student cancels his/her appointment in advance, NO SHOW will not be recorded in the system.
