

WEB website editing basics

Friday, March 22, 2019, AD 238

Presenter: Patricia Chamroonrat

Topics: Adding a new page, changing template to an existing page

- Adding a new page to your site
 - Add new sub-page
 - Choose Basic Page or Basic page no left nav
 - Other templates
- Changing page template to an existing page
 - Before swapping page template, it is important to copy existing content first.
(Best way is to copy from html tab)
