Dear Students,

Thank you for your patience and ability to adapt to the numerous changes created during the Coronavirus Pandemic. Planning for the future can be a challenge when there is so much uncertainty. In order to help you plan for the summer, we have decided that remote and distance instruction will continue through the summer 2020 session, following the directions and guidance of State and LA County health officials. We will continue to evaluate and reassess our options for the fall semester. The only certainty that can be provided as to what we will do for fall is that we will be prepared to provide the best possible educational experience for our students, following all best practices with regard to health and safety protocols.

Please continue to check our website for updates related to COVID-19 and follow our social media channels (Instagram, Facebook, Twitter, and YouTube) to stay connected during these most unusual of times.
