

What is the role of high school teachers *in high school articulation?*

- 1.** Ensure that the curriculum standards of the post-secondary articulated course are maintained.
- 2.** Promote articulation opportunities to students and parents and facilitate student receipt of credit.
- 3.** Add the GCC logo to your school course syllabus with the following notation:
***This course is articulated with Glendale Community College which means that you can earn college credit.*
- 4.** Add all articulated class sections into CATEMA at the beginning of each semester/year.
- 5.** Assign a grade into CATEMA at the end of the semester/year for students who successfully complete the course with a “B” or better.
- 6.** Schedule workshops with Career Education Counselor and Welcome Center to ensure all students apply and obtain a GCC Student ID Number
- 7.** Renew the course articulation agreement following the 2-year renewal cycle.
