

WE CELEBRATE YOU

Congratulations one final time to those students who will be transferring in Fall 2024! Your hard work and dedication have paid off, and we know you will proudly represent GCC as you continue on your journeys. Tell us where you were accepted [here](#), so that we can brag about you!

We had so much fun celebrating you at the Transfer Student Celebration in May. If you weren't able to attend and receive your transfer cord, you can still stop by the Transfer Center on the 3rd floor of the SV building to receive it. We just ask that you bring some type of proof of acceptance—an email is fine.

TRANSFER CHAMPION OF THE YEAR

The votes are in! This year's Transfer Champion—voted by YOU—is none other than Transfer Center counselor extraordinaire, **Nahal Ghodousi**. Keep reading for a little background and some words of wisdom from Nahal:

“As a transfer counselor here at GCC, my journey mirrors that of many of the students I now assist. I began my educational path at a community college and eventually, I transferred to CSUN, where I earned both my bachelor's and master's degrees.

My story at GCC began as an intern, driven by a passion to support others like myself in achieving their academic goals. Over nearly 12 years, I've grown from intern to counselor, guided by a dedication to helping students transition smoothly to four-year universities and pursue their passions.

My advice to fellow students echoes the lessons I've learned along the way: don't let fear hinder your dreams. By fostering a positive mindset, both in thought and speech, you have the power to manifest your aspirations. I'm here to support you on your journey, just as others have supported me on mine.”
