**VI. Report of President/Student Trustee – Lilit Yerkanyan**

- Senators must be respectful and must know that to be in the executives' offices, they must ask permission or let us know because our offices are private places.
- At the beginning of the semester we said that the conference room must be clean, and now that has not been respected because I have seen a lot of messes frequently. In committee meetings, please VP let your senators know that we have to keep our places clean.
- Senators should not be in the student center if staff or any executive member is not present.

**VII. Report of Administration Committee – Pacheco Matute**

- Our second educational initiative is on November 19.
- Senators have no privilege or executive to feel better than anyone else. We are all learning, and we must all be very respectful and help each other.

**VIII. Report of Finance Committee – Claris Boghosian**

- The second educational initiative is being planned, and we are thinking about having cooperation with financial aid offices to have workshops.
- The plan we are developing for our educational initiative is to have a booth of programs that help students with financial resources.
- The finance committee senators will have the task of carefully observing the accounts we are using to approve money.

**IX. Report of Activities Committee – Iren Abelian**

- The paint day event will be on November 14, 2024, in Tonga Classroom 111 from 12:15 to 2:00 pm.
- November 21, 2024, will be our second event of the month, which will be Paws for Yoga.

**X. Report of Relations Committee – Isabelle Karayan**

- Study buddies will be December 3, 4, and 5 from 5:00 pm to 9:00 pm. This will be our second educational initiative in collaboration with the organization committee and Senators of Organizations and Relations Committee Aren Sepanian and Tamar Chavdarian; they will oversee finding the most affordable prices for Panda Express and Chipotle.
- We will be publishing the videos promoting the events that AS will have as soon as possible.
- The financial literature videos; after that, we will start Grateful Across Borders, and then we will be working on creating the videos for the activities committee events.

**XI. Report of Organizations Committee – Levon Chaglasian**

**2. Revisiting Our Goals – Discussion Item**

- Almost all the goals that the executives have with their senators have been met; the only thing we will work more on is going to the games to support the athletes who represent us as an institution.

**XVII. Reports of Advisors**

**- Claudia Juan**

- In each email that you must send, please CC me, because it is very important that I can be in those conversations to know that everything is going as well as possible and that everything is on time to bring the events to an end in the best possible way.
- Senators must respect the space of the executive members. If some senators do not have an improvement in their behavior, let me know so I can speak privately with them.
- The committee meeting agendas I should have them less than one day before the meeting time.
