**VI. Report of President/Student Trustee – Lilit Yerkanyan**

- Senators must be respectful and must know that to be in the executives' offices, they must ask for permission or let us know because our offices are private places.
- At the beginning of the semester we said that the conference room should be clean, however I can see that has not been respected because I have seen a lot of messes frequently. In the committee meeting, please VPs let your senators know that we have to keep our places clean.
- Senators should not be in the student center if staff or any executive member is not present.

**VII. Report of Administration Committee - Pacheco Matute**

- Our second educational initiative is on November 19.
- Senators have no privilege or executive to feel better than anyone else. We are all learning, and we must be very respectful and help each other.

**VIII. Report of Finance Committee - Claris Boghosian**

- The second educational initiative is being planned, and we are thinking about having cooperation with financial aid offices to have workshops.
- The plan we are developing for our educational initiative is to have both programs that help students with financial resources.
- The finance committee senators will have the task of carefully observing the account we are using to approve money.

**IX. Report of Activities Committee – Iren Abelian**

- The paint day event will be on November 14, 2024, in Tonga Classroom 111 from 12:15 to 2:00 pm.
- November 21, 2024, will be our second event of the month, which will be Paws for Yoga.

**X. Report of Relations Committee – Isabelle Karayan**

- Study buddies will be December 3, 4 and 5 from 5:00 pm to 9:00 pm. This will be our second educational initiative in collaboration with the organization committee and Senators of Organizations and Relations Committee Aren Sepanian and Tamar Chavdarian; they will oversee finding the most affordable prices for Panda Express and Chipotle.
- We will be publishing the videos promoting the events that AS will have as soon as possible.

- The Financial Literacy videos; after that, we will start Grateful Across Borders, and then we will be working on creating the videos for the activities committee events.

**XI. Report of Organizations Committee – Levon Chaglasian**

- A senator from the Organizations Committee has told me not to apply again to be in AS due to time in conflict.

**XIV. Guest Speakers**

**XV. Old Business**

**XVI. New Business**

**1. Review of Legislature Agenda – Discussion Item**

- Making sure the agenda has the approvals needed and the discussion item for Monday, November 4.

**2. Revisiting Our Goals – Discussion Item**

- Almost all the goals that the executives have with their senators have been met; the only thing we will work more on is going to the games to support the athletes who represent us as an institution.

**XVII. Reports of Advisors**

**- Claudia Juan**

- In each email that you send, please CC me, because it is very important that I can be in those conversations to know that everything is going as well as possible and that everything is on time.
- Senators must respect the space of the executive member. If some senators do not have an improvement in their behavior, let me know so I can speak privately with them.
- The committee meeting agendas I should have them less than one day before the meeting time.
