Wind advisory map

Greetings Team GCC,

Out of an abundance of caution, all campuses will be closed for the remainder of the day, January 7, 2025 due to high wind activity. Unless otherwise informed by your supervisor, all students and employees should vacate their campus immediately. Proceed with caution when exiting and avoid any hazardous areas. Use indoor paths of travel when possible.

For your safety, attached a scanned map with highlights indicating areas of campus that should not be accessed at this time. An updated electronic version of this map will be sent as it is available.

Please check your GCC email for further updates regarding college operations for tomorrow, January 8<sup>th</sup>, 2025. We anticipate normal operations for tomorrow and will advise if the circumstances require a change.

There are no reports of damage at the PDC or Garfield campuses at this time.

Thank you for your understanding and cooperation
