VI. Report of President/Student Trustee – Lilit Yerkanyan

- There is a student senate position open, and we encourage those of you who are interested to be aware of the time commitments. We will support you along the way and we have your back.
- March in March is approaching, and we will be following up with more information.
- Coffee and Convos is something that the Executive committee has been planning for a while. It will be an opportunity where students can come and have a conversation with us. We will be providing coffee. If they have any questions, that would be a great time for them to share with us.

VII. Report of Administration Committee – Carlos Matute

- Today we had our first administration committee meeting, where we talked about resolutions. We are trying to help students with the issues they are facing. We will be talking with more people and experts to get their advice on the matter.
- This semester is when our elections happen. Every Vice President position is open, and we will be sending out information if you would like to run.

VIII. Report of Finance Committee – Claris Boghosian

- We had our first meeting last Friday. We went over how to fill out various forms and requisitions as well as the Financial Literacy Workshop. For those who do not know what this is, it is basically an educational workshop that we host with the help of GCC Cares department in collaboration with Babson College.

IX. Report of Activities Committee – Iren Abelian

- The first week of Welcome Week went great. I just wanted to say good job, and thank you to everyone who came and helped out. We will be having more events this week.
- If you guys are free and can help with these events, it would be greatly appreciated.

X. Report of Relations Committee – Isabelle Karayan

- I am super excited to have you guys this semester.
- Classroom visits are going to start soon. I will send out the schedule and you can plan accordingly. There is a script, or I can give you some bullet points to mention, whichever you feel more comfortable with.
- My committee and I met last week to start making Welcome Week videos and we will be working on new material as well.

1. Student Affairs Committee

- We started the second read of AR 5135, the catalog rights, which involves all the prerequisites and requirements for any major. We made the language more student friendly and made minor modifications.
- We also shared that the GCC open house is going to be in May, and we would like to do a carnival theme and expand it out to Pasadena City College. The reason being, they do not think they will have an open house this year due to the fires that have been going on.
