# INTRODUCTION AND PREPARING TO APPLY

## About this guide

This guide assists transfer applicants through completing most parts of the Cal State Apply application, including: preparing to apply, first steps in your application, completing the Academic History, Supporting Information, and Program Materials quadrants (quadrants 2, 3 and 4), and lastly, submitting your application.

## What is Cal State Apply?

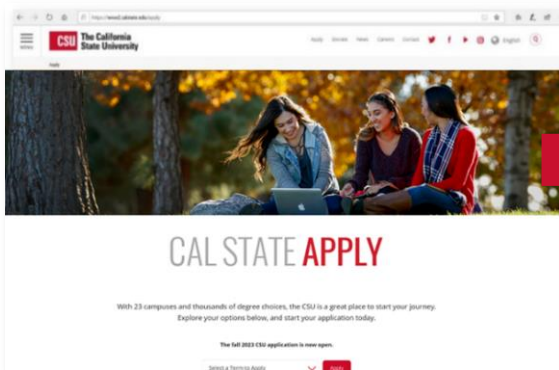

Cal State Apply is the Centralized Application System for all 23 universities in the California State University (CSU) system. **You only need to submit ONE Cal State Apply application even if you are applying to multiple CSU universities** (Note: each campus you apply to requires a \$70 fee).

### About the Applicant Help Center

Use this guide as a supplement to the instructions provided in the [Applicant Help Center](#). To access the Applicant Help Center, click on your name in the upper-right hand corner of the Cal State Apply application.

## How to apply

Visit [calstate.edu/apply](https://calstate.edu/apply). Then, click the term you are applying for in the drop-down menu.

## When to fill out the application

Use this chart and the information below to help guide you on application deadlines:

Term	Application Opens	Application Priority Deadline
Fall 2025	October 1, 2024	December 2, 2024
Spring 2026	August 1, 2025	August 31, 2025

Review the [Application Dates & Deadlines](#) information on [calstate.edu/apply](http://calstate.edu/apply) before starting your application to find out which programs are available for each term.

- **Be sure to apply for the correct term.** Do not apply before the “application opens” date listed in the chart above. A submitted application is only considered for the term which you applied.
- **Deadlines vary from campus to campus,** and not all campuses accept applications each term, nor for every program. For details, contact the [campus admission office](#).
- **You may be asked to provide supplemental materials.** Check the campus website(s) for more details and be sure to check your email regularly.

## Required information and materials

Be sure to have the following before you begin your application:

- ✓ **Unofficial transcripts:** You’ll use these to enter all your completed, in progress and planned courses
- ✓ Your **Social Security number**, if you have one
- ✓ Your **Citizenship Status**
- ✓ **Credit Card or PayPal account:** Application fees are due at time of submission
- ✓ **Annual income:** Your parent’s annual income if you are a dependent, your income if you are independent
- ✓ **Campus student ID number:** Required for Associate Degree for Transfer (AD-T) applicants from California Community Colleges (CCC).
- ✓ Information needed to apply to the [Educational Opportunity Program](#) (EOP) [if applying]

# FIRST STEPS IN YOUR APPLICATION

# Setting up your Cal State Apply account

Once you've selected the appropriate term and click "apply" from the Cal State Apply website, you will be taken to the application portal for that term.

## STEP ONE: CREATE AN ACCOUNT

**TIP: Use a personal email address that you check regularly instead of a school email address.**

## Reapplicants

If you submitted or started an application during the previous application year, you are given the option to start a fresh application or copy application data from the previous application into the new application.

If you select Copy Application Data, you will be prompted to select which sections of the application you wish to copy. Any data you entered previously for those sections will be carried forward and **all information will be editable**. After selecting Continue, the system will copy the previous data and **send an email when the new application is ready**.

**We are Preparing your New Application**

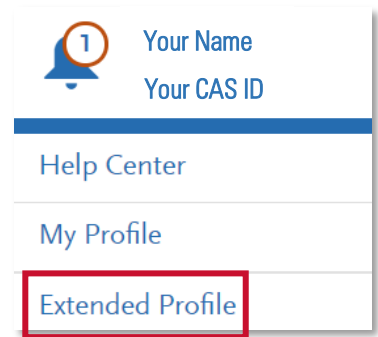

It can take some time for the system to copy your previous application data to your new application. You will receive an email when your new application is ready for you to work on it.

[OK](#)

## Completing your Extended Profile

After creating an account, you will complete the questions on the Extended Profile. Answer the Extended Profile questions carefully. The answers you provide on the Extended Profile determine what question blocks (tiles) appear on the application and what programs (majors) are available for you to choose.

Come back to your questions on the Extended Profile any time to make corrections by clicking your name on the top right-hand corner.

### Educational Goal

All transfer applicants should select **First Bachelor's Degree**.

Then, select **One of the two transfer options** for your educational status. See below for detailed instructions.

1. Educational Goal

\* What degree, credential, program or certificate are you applying for?

- First Bachelor's Degree (Seeking your first bachelor's degree and have not earned a prior bachelor's degree)
- Second Bachelor's Degree and Beyond (e.g. Master's, Teaching Credential, Certificate, Doctoral)
- CSU Summer Arts
- Dual Enrollment (I am a current high school student who is interested in taking college-level courses at a CSU campus before high school graduation)

### Educational Status

Use the information below to accurately answer "what is your current educational status?"

**Associate Degree for Transfer (AD-T)** means you have earned or will earn an approved Associate of Arts for Transfer (AA-T) and Associate of Science for Transfer (AS-T). This is not a standard AA or AS degree. If you have earned or are earning a standard AA or AS degree, follow the instructions below to identify yourself as an Upper Division Transfer applicant. **AD-T applicants should select the following:**

Transferring from a California Community College and earned or planning to earn an Associate Degree for Transfer (AA-T/ AS-T)

## FIRST STEPS IN YOUR APPLICATION

Then select the California Community College and the specific ADT program from the listing.

Not sure your associate degree is part of the Associate Degree for Transfer program? Contact your California Community College or visit the [ADT page](#) for more information.

Enter up to two ADT colleges and programs. If you don't see your program listed, confirm with your California Community College the type of associate degree you earned/are earning.

\* California Community College

\* ADT Program

\* Do you have or will you receive a second ADT from your community college?

Yes  No

If your Associate Degree for Transfer (ADT) program is missing from the ADT Program list, confirm you are earning or earned an AA-T or AS-T degree and not a standard AA or AS degree.

Not sure your associate degree is part of the Associate Degree for Transfer program? Contact your California Community College or visit the [ADT page](#) for more information.

**Upper Division Transfer (UDT) applicants have completed 60 or more semester credits (equivalent to Junior or higher), and Lower Division (LDT) applicants have completed less than the 60 credits.**

Credit/hour totals that determine UDT and LDT status are based on how many *transferable college credits* you *will have earned by the time you enroll at the CSU campus* you are applying to.

For example, you are applying for Fall 2025. If, by the start of the Fall 2025 term, you have earned greater than to or equal to 60+ semester hours/credits or 90 quarter hours/credits, you are an Upper Division applicant. If less, you are a Lower Division applicant.

Have attended or am currently attending a community college, technical college, CSU, or other four-year institution. Community college attendance includes those transferring with or without an associate degree (AA/AS) that is not part of the Associate Degree for Transfer program (AA-T/AS-T.)

## FIRST STEPS IN YOUR APPLICATION

\* By the time you enroll at the CSU campus you are applying to, how many college credits will you have earned?  
Note that if your courses are based on quarter credits, click [here](#) to convert your total credit hours to semester hours.

### Returning Students

A returning student is someone who previously attended a CSU campus, left without completing the program, and is now applying to return to the **same** campus they had previously attended to complete the same program.

The next page provides a table that can help you determine if you are a returning student.

### International Applicant

If you have or will require an F1 Visa (student) or J1 Visa (exchange) to study at the CSU as an international student, select Yes. ## FIRST STEPS IN YOUR APPLICATION

You can apply to as many campuses as you wish, each with a \$70 application fee, but you can only apply to one program per campus. Once you are done making your selection(s), click Continue. **Note that some campuses will require that you select an alternate major.**

Programs offered through a campus' *Extended Learning Office* are self-support programs with their own tuition, fee, registration, and financial aid structures. For this reason, programs offered through the Extended Learning Office *may* not qualify for some state or federal financial aid. Students who choose to enroll in a self-support program may not switch between self-support and state-funded degree programs offered on this campus.

## How the information you enter is used

The CSU uses self-reported coursework to calculate an overall GPA and to determine admission eligibility. Failure to report all coursework completed may adversely affect admission eligibility and could result in a denial decision.

## Overview: the four parts (quadrants) of your application

Click the **My Application** tab to complete the rest of your application. You must complete all sections for a quadrant to show as complete. All quadrants must be complete to submit your application

This shows your progress towards completing all the required information for this quadrant.

**\*Don't skip the Program Materials section.** Even if it appears complete, be sure to click and read the Program Materials quadrant as there is usually important information about the program(s) you are applying to in this section.

The **Supporting Information** section is where you report EOP&S participation and access the CSU's Educational Opportunity Program application. If you are an ADT applicant, you will verify your ADT degree information here. If you are a returning student, you will answer questions regarding the campus you previously attended.

## HIGH SCHOOLS ATTENDED

# My High Schools

If you attended **more** than five (5) high schools:

- List the schools where you have completed *most* of your courses.
- After submitting your application, you must contact each campus to which you've applied to provide additional information regarding the additional high schools attended.

If you have attended a high school/secondary school **outside** of the United States:

### Can't find your college/university?

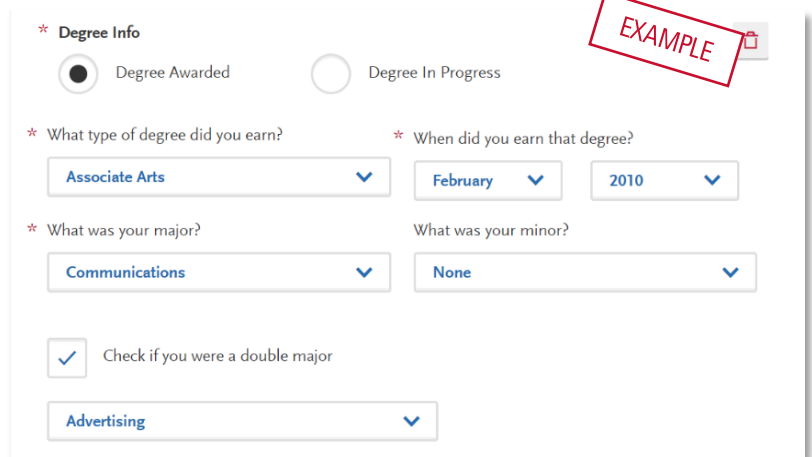

The lookup table includes all domestic and international institutions with a College Board CEEB code. If you are unable to find your institution, verify the name is entered without abbreviations and matches the official name on your transcript. If the institution is still not found, select **"Can't find your school"** and complete the additional information requested.

 **Can't find your school?**

### Degree information

Select whether you are planning to obtain a degree.

Identify whether or not you completed (**Degree Awarded**) or will complete (**Degree In Progress**) an associate degree or other degree(s) prior to transfer. If yes, you will be asked to provide details on the type of degree, date earned/will earn, your major, minor, and whether you had a double major.

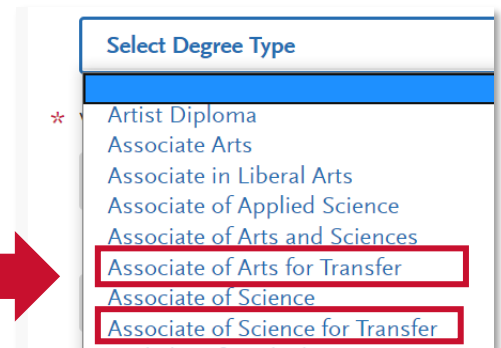

The screenshot shows a form titled "Degree Info" with a red "EXAMPLE" stamp. It includes radio buttons for "Degree Awarded" (selected) and "Degree In Progress". Below are dropdown menus for "What type of degree did you earn?" (Associate Arts), "When did you earn that degree?" (February, 2010), "What was your major?" (Communications), and "What was your minor?" (None). There is a checked box for "Check if you were a double major" and a dropdown for "Advertising".

If you do not see your major or minor listed, select a related major or one of the **"Other"** options at the bottom of the list.

Other/Not Listed

If you are a returning student, you are currently not enrolled at the CSU campus you previously attended, therefore select **"No"** you are not planning to obtain a degree from this college or university.

**TIP:** If you identified yourself as an Associate Degree for Transfer (AD-T) student in the Extended Profile questions on your application, then select the appropriate degree from the list here – either an Associate of Arts for Transfer (AA-T) or an Associate of Science for Transfer (AS-T). You should not select these options if you have not completed or will not complete an approved Associate Degree for Transfer (AD-T).

The screenshot shows a dropdown menu titled "Select Degree Type". The options listed are: Artist Diploma, Associate Arts, Associate in Liberal Arts, Associate of Applied Science, Associate of Arts and Sciences, Associate of Arts for Transfer, Associate of Science, and Associate of Science for Transfer. The last three options are highlighted with red boxes.

# COLLEGE COURSEWORK

## What to include in College Coursework

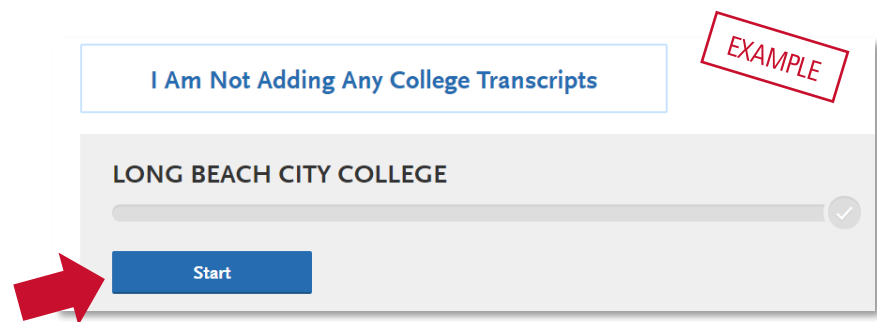

Complete the College Coursework section by entering all college courses you've taken, have planned, or have in progress. This includes non-transferable courses and repeated courses. College Coursework for foreign institutions is not required.

### Tips for determining course transferability

- Generally, most courses from other CSUs, UCs, and private universities are CSU transferable.
- California Community College students can use [ASSIST.org](https://assist.org) to view CSU transferability.
- The course numbering system on the back of the transcript or in course catalog often indicates college level, bachelor degree-applicable courses.

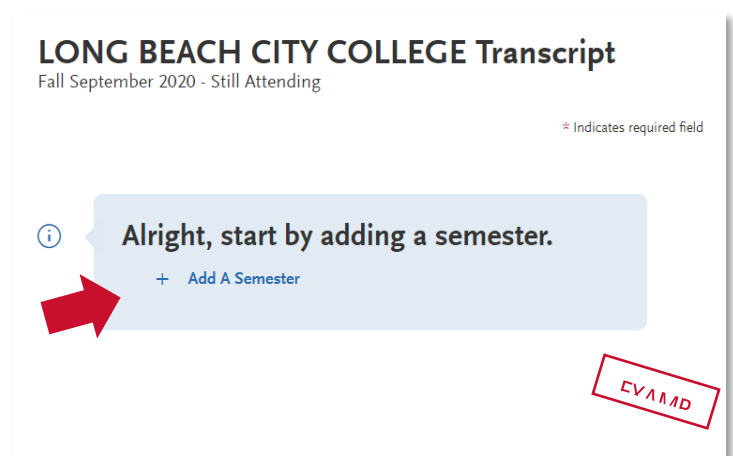

## Adding college coursework

You will see each college/university you entered into the Colleges Attended section. Under the college/university name, you will have a progress bar and a Start button. Hit the **Start** button to begin entering courses for that college/university.

### Adding a term

You will enter your courses by term. Start by adding your first term. Depending on the term type you selected in Colleges Attended, it will prompt you to add a semester, trimester, or quarter (example shows "add a semester")

## Adding Term, Year and Academic Status

Add a term, year, academic status and completion status. Click SAVE once done.

- Term and Year: The options that appear are based on information you entered in the Colleges Attended section. If you are still attending the college/university, future years display to allow entry of in-progress and planned courses, If the year is missing you can go back to Colleges Attended to update the dates of attended for the college/university.

## Enter a course

Enter course information for the term line by line, following the sequence of the transcript copy you are using for reference.

**STEP ONE** – Click Add a Course to add courses for that term.

**STEP TWO** – Enter the course code.

- Prefixes (subject) and course numbers must match what appears on your official transcript. **Do not enter any space between the subject and the number (e.g., enter “BIO2,” not “BIO 2”)**
- Some courses may populate from a drop-down selection box that appears as you type the course (see example). These are preloaded courses from ASSIST.
- If your course does not appear on the drop-down list automatically, manually enter the course subject and number exactly at it is listed on your transcript.

**TIP:** Use your transcripts to enter your college coursework. Coursework must match your transcripts. List your courses under the correct term and year.

**STEP THREE** – Enter the **course title**.

- Course title and course credits will prepopulate if selected from the Course Code results list (previous step).
- If you manually entered a Course Code, you must also manually enter the Course Title.
- This box allows you to enter the full title even though only part of the title is visible on the screen.

## COLLEGE COURSEWORK

**STEP FOUR** – Enter the **course credits** exactly as they appear on your transcript.

- Enter the first digit, and then use the pulldown to select the decimal value.
- If credits automatically populate from Course Code entry earlier, double-check that the values match what is listed on your transcript. You may need to adjust credit amounts for variable credit courses.

\* CREDITS

3 00 ▾

e.g., 3.00 00 25 33 50 67

**STEP FIVE** – Enter the **grade** exactly as it appears on your transcript, including any pluses or minuses. All attempts and grades should be included.

- Enter Pass grades as "P" and Credit grades as "CR."
- EW grades should be entered as "EW" per the transcript.
- If your grades are listed as "BA," "CB," or "DC," you must list them as "AB," "BC," and "CD" in order for the system to recognize them (higher grade first).
- If your grades are listed as numbers (e.g., 93), enter them exactly as they appear on your transcript. They will automatically convert to the equivalent letter grade.
- If you have repeated courses or have Academic Renewal courses to report, [see this section of the guide](#) for details.
- The CAS Grade populates automatically. This allows us to standardize your coursework for all programs and cannot be edited.

\* GRADE CAS GRADE

**STEP SIX** – Click the checkbox if the course is CSU transferable. Generally, most courses from other CSUs, UCs, and private universities are CSU transferable. Mark the transferable box for these courses even if you are unsure. This box is defaulted to be unchecked so you must check the box to note the course is transferable.

TRANSFERABLE

Click **Add a Course** and follow steps above.

**Success! Now add the rest of your courses, making sure to add them under their proper semester.**

### Add additional terms/semesters

Select “Add A Semester” to add courses for another term. Repeat steps until all terms have been entered.

For terms that are in progress or planned, select In Progress/Planned in the drop-down box in Completion Status field. **Grades are not required for in progress or planned terms.**

**STEP SEVEN** - Save your transcript. Once coursework entry is completed for all reported colleges, select Yes confirming you have completed entry and then click **Save Your Transcript**. If you decide to go back and edit coursework entry after saving, be sure to select Save Your Transcript again. You can preview what you submitted by clicking “Preview this Transcript.”

A screenshot of a confirmation dialog box. At the top, it asks: "\* Have you completed entering your transcript?". Below the question are two radio buttons: "Yes" (which is selected) and "No". At the bottom of the dialog is a large blue button with a white checkmark icon and the text "Save Your Transcript".A screenshot of a transcript entry for "LONG BEACH CITY COLLEGE". A green progress bar is shown with a white checkmark at the end. Below the progress bar are two buttons: "Edit" and "Preview this Transcript". A red box highlights the "Preview this Transcript" button, and a red stamp with the word "EXAMPLE" is placed over the top right corner of the entry.

### College Coursework entry reminders

Once coursework entry is completed for all reported colleges, double check your information by visiting the main page of the **College Coursework** section (click “College Coursework” on the left). Make sure you’ve reported everything accurately.

- Compare the information to your transcript. Make sure to enter ALL courses with correct unit and grade values. This includes non-transferable courses, withdrawals and repeats.
- Verify the Transferable box selection for all transferable courses, regardless of grade entered.

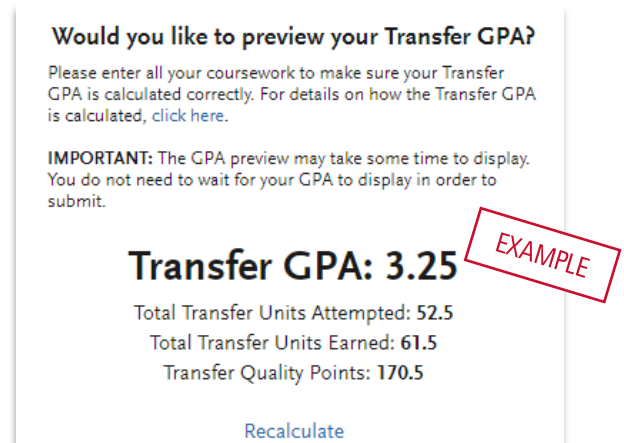

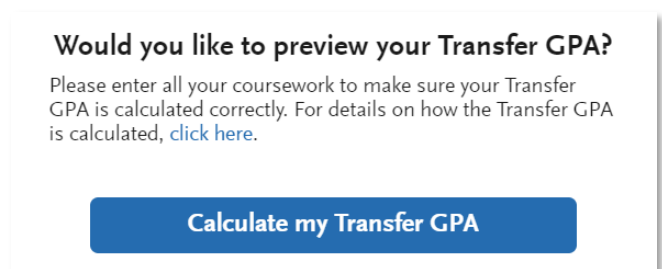

### Checking your transfer GPA

Once all coursework has been entered you can preview your Transfer GPA by selecting **Calculate my Transfer GPA** at the top right of the main College Coursework page. If you add additional courses, you can recalculate.

Total Transfer Units Earned includes:

- completed courses with a passing grade;
- courses that are planned or in progress;
- self-reported AP, CLEP, IB standardized tests that are eligible for transfer credit.

For more information on how the Transfer GPA is calculated, visit the [Applicant Help Center](#).

## Adding college coursework for returning students

### Returning Students (original CSU, no other colleges)

If you are returning to the same CSU that you last attended and have not taken any college courses at another institution, you will not be required to report Academic History. The Standardized Tests section is optional.

### Returning Students (original CSU and additional CSU, and attended other colleges)

If you are applying to return to the same CSU that you last attended AND applying to an additional campus as a new applicant AND have attended other colleges since leaving the CSU, you must report all courses completed at all colleges attended in the Academic History section.

### Returning Students (attended other colleges since leaving CSU)

If you are returning to the same CSU that you last attended and you have taken courses at another institution since leaving the CSU, only enter the new coursework you've completed or have in progress since you last attended the CSU.

### Returning Students (original CSU and additional CSU)

If you are applying to return to the same CSU that you last attended AND applying to an additional campus as a new applicant, you must report all courses completed at all colleges attended in the Academic History section.

**1a. Returning**

\* Are you applying to return to the CSU campus which you previously attended, and intend to complete the same major?

Yes  No

\* Which CSU Campus did you previously attend?

What was your Student ID?

\* Select the scenario that applies to you:

I previously attended a CSU campus and am now applying to an additional campus.

I attended other colleges or universities since leaving CSU.

I previously attended a CSU campus and am now applying to an additional campus AND I attended other colleges or universities since attending CSU.

I have not attended other colleges or universities since leaving CSU and am only applying to my original campus.

## Repeats and Academic Renewal

For admission purposes, the CSU honors “the grading policies of the institution where credit was earned by accepting official transcript entries including those reflecting academic renewal, repeat, and incomplete grades” ([CSU Admission Handbook](#)).

### How to enter grades for repeats and academic renewal

**Repeats:** If transcript identifies the course as repeated and excludes the course from the college/institution GPA, enter a grade of “RP.” If the repeated course is currently in progress, the original grade is reported and the repeat attempt is reported as in progress.

**Academic Renewal:** If your college offers academic renewal, use a grade of AR for courses noted as such on the transcript.

## Credit for Prior Learning

If the community college(s) you are attending have awarded credit for prior learning, enter the course information exactly as it appears on your transcript in the **College Coursework** section.

## Military Credit

Applicants with military service may upload copies of the DD214 and Joint Services Transcript in the Documents area of the application (Supporting Information section).

If the community college applied your military credit to ensure you met the 60-credit minimum requirement for transfer and/or associate degree credits, those may be entered as one course under the community college course entry as follows:

**Course code:** Military  
**Course Title:** DD214  
**Subject:** Special Topics  
**Credits:** Enter 3 - 6 credits depending on the value assigned on the community college transcript.  
**Grade:** CR

* COURSE CODE	* COURSE TITLE	* SUBJECT	* CREDITS	* GRADE	CAS GRADE
Military <small>e.g., BIO 101</small>	DD214 <small>e.g., Introduction to Biology</small>	Special Topics ▼	3 <small>e.g., 3.00</small>	00 ▼	CR <small>e.g., 85 or B</small>

EXAMPLE

Credit awarded for the military service and training is otherwise not entered under College Coursework. Campuses will review the uploaded documentation and request official copies later in the admission process if needed.

## Standardized Test Credit for CSU GE

Passing standardized tests scores which meet GE Breadth areas should pre-populate for approved GE categories based on the data listed on the [External Exam Credit](#) page. For more information, refer to the [General Education](#) section of this guide.

**GENERAL EDUCATION**

## Matching your courses to CSU GE

The drop-down menu allows you to select from the courses and standardized tests you entered previously in the College Coursework section.

Courses from California Community Colleges should prepopulate for approved GE categories based on [ASSIST.org](https://assist.org) data. If they do not prepopulate, use [ASSIST.org](https://assist.org) or **GE category notations** on your transcript(s) for help matching California community college courses.

**TIP: Double check all selections.** Ensure that you have the right course selected for each area that corresponds with that GE requirement. Note that you can select any Pass, Credit, and In Progress/Planned courses.

## Matching your standardized tests to CSU GE

The drop-down menu allows you to select from the passing standardized tests scores you entered previously in the Standardized Test section. Scores which meet GE Breadth areas should pre-populate for approved GE categories based on data listed on the [External Exam Credit](#) page.

### CSU GE for Lower Division transfer applicants

Applicants transferring with less than 60 semester units completed must complete a course in A2 and B4 with a minimum grade of C-. Applicants identify the two courses in the corresponding areas on the GE page. If the other two (A1 and A3) areas are not complete or in progress, click **Opt Out** for each of those requirements. ## SUBMITTING YOUR APPLICATION

### Review the Summary Page carefully before submitting

Review the summary page carefully. Note any warning symbols and red text that may require you to update your application before submitting.

The screenshot shows the 'College Coursework' section of an application. At the top, there are statistics: 'Transfer GPA:', 'Transfer Units Attempted:', 'Total Transfer Units Earned:', 'Transfer Quality Points:', and 'Total Units Reported: 3'. A red stamp 'EXAMPLE' is placed over the top right. A yellow callout box on the left says 'Attention needed' pointing to a warning icon. A yellow callout box on the right says 'Explains where to make updates to your information, if needed' with an arrow pointing to a 'Go to College Coursework' link. Below the statistics is the 'General Education: Golden Four' section. It includes a warning message: 'You have opted out of adding General Education: Golden Four courses. We highly recommend you match a course for each subject. Please return to General Education: Golden Four and match your courses.' There are two tables: 'Area A - English Language Communication and Critical Thinking' and 'Area B - Scientific Inquiry and Quantitative Reasoning'. # FREQUENTLY ASKED QUESTIONS

# Troubleshooting common issues

I am having a technical issue with completing the application. How can I contact customer support?

Log in to Cal State Apply to and chat with customer support. Alternatively, email [CalStateApply@liaisoncas.com](mailto:CalStateApply@liaisoncas.com) or call [857-304-2087](tel:857-304-2087). Visit the [Cal State Apply Applicant Help Center](#) to verify hours of operation.

Be sure to have your CAS ID number (located under your name in the upper-right corner of the application) when contacting Cal State Apply via phone or email.

I do not see the AD-T degree (AA-T and/or AS-T) I earned or will earn on the application. What do I do?

Confirm with your community college you are earning or earned an AA-T or AS-T degree for your major and not a standard AA or AS degree. If an AA-T or AS-T is confirmed, please contact [calstateapply@calstate.edu](mailto:calstateapply@calstate.edu) to report the missing AD-T degree.

I cannot find the campus and/or program I am looking for on the application. What do I do?

One of the most common reasons why an applicant may not see a program is because they identified themselves as a Lower Division Transfer (less than 60 units earned). Not all campuses admit Lower Division Transfers, and not all programs are open to Lower Division Transfers.

If you are not a Lower Division Transfer, double check that you did not incorrectly identify yourself as one on the Extended Profile.

- To check, go back to your Extended Profile.
- Double check your answer to “What if your current educational status?”
  - 0-59 units = lower division transfer
  - 60 + units = upper division transfer

## Admissions decisions

### Where/how will I receive the admissions decision?

The admission decision will not be found within Cal State Apply. You will receive a notification directly from the campus (usually via email) regarding your admission decision.

## Changes to your application

### I have new or updated information to submit. How can I do this?

Once an application has been submitted, the information on the application cannot be edited by logging back into Cal State Apply, except the Educational Opportunity Program (EOP) program application, adding new test scores into standardized tests, and updating in progress and planned grades during the allowed timeframe (see [Academic Updates section](#) in this guide). Please [contact the campus\(es\)](#) to which you applied and work with them to provide the updated information.

### I made a mistake on my application. How can I fix it?

Once you submit your application, the information on the application cannot be edited on Cal State Apply. Please contact the campus(es) you applied to and provide the correct information.
