On May 9th, 2026, there will be a Go Baby Go Mini-Modathon. This one day, hands-on event will give **high-school students** the opportunity to work with a team to build and modify a mini ride-on car to **help a child with special needs** achieve independent mobility, with guidance and mentorship from our experienced Go Baby Go student Peer Mentors who have been trained through GCC's Go Baby Go Internship Program.
